TERMINATOR 2
JUDGMENT DAY

Now the most explosive gun game of all time!!

It's the blockbuster attraction that's become a box office phenomenon across the globe. **TERMINATOR 2: JUDGMENT DAY** has made movie history. And now Midway makes video game history with a landmark creation that faithfully captures all of the big screen action and stunning special FX—utilizing digitized graphics technology pioneered and perfected by the #1 coin-op company in the world.

Only Midway's **TERMINATOR 2** video game brings to life the steel legions of the future world after the nuclear annihilation, ominous Endoskeletons™, flying Hunter Killers and massive war machines rolling over a ravaged terrain populated by a handful of human survivors.

This is the landscape for Mission 1 as players join forces with Sgt. John Connor, leader of the human Resistance, to annihilate the machines of Skynet: infiltration of Skynet Headquarters and control of the Time Field Generator transport players back in time to the present day and the core mission of protecting young John Connor and Sarah Connor, destroying the Cyberdyne Labs and engaging in the ultimate confrontation against the lethal T-1000 to decide the fate of mankind.

THIS IS THE VIDEO GAME AS POWERFUL AS THE MOVIE THAT INSPIRED IT!!

Developed in tandem with the movie's production company, **TERMINATOR 2** is a total video game experience that could only come from Midway. Actual film footage, the star-studded cast, authentic location backdrops, the special effects specifically developed for the biggest budget.

Submerge your senses and speech from the one and only Arnold Schwarzenegger have all been incorporated into thrilling, non-stop, high energy game play that is the movie. Even the gun controls have been modeled after the real Endo Battle Rifles featured in the film!

Here is a complete interactive entertainment package worthy of the **TERMINATOR 2** name with multi-player scrolling and holographic-like flashes that bring between the screen and the player for immersive realism and never-before-achieved depth and dimensionality that will grab players first time, every time.

Unstoppable, unbeatable... now there's a new standard for blockbuster earnings with the single greatest video game incarnation of all time! **TERMINATOR 2: JUDGMENT DAY** from Midway.
